And I'll sing it so sweet, my love,
I'll sing it so sweet,
That you'll think of the pleasant scented hour.
When we need to meet.
You'll think of the leafy laden bank,
Where the biossome blew.
When we talked underneath the linden trees,
I and you.

We clasp our hands in loving trust.
We send our voices o'er the wave.
No hand can rench us—from the dust.
No voice can flud us—in the grave.

"But I trow that Albert Durer Had within his heart a spot. Where he ant and painted pletan. That gave beauty to his log. And the anarp, introduce vision of Fran Durer entseed not.

PARTING. We class our hands, we turn and go, Our footsteps echoing years between; We meet again, we hardly know The ghost of loved ones long unseen. We clasp our hands, we turn and go. Far travelers with strange hours and year.
The face, the form, the voice we know.
They come not back from time and tears.

A learned German writer calculates that 54,000,000 of his countrymen are still to be found in Europe. Only a tenth part of these are to be found out of fatherland. The German language is said to be spoken in Europe over an area of 12,000 square miles— a territory only inferior in extent to the vastly less populous lands through which the Russian and Scandinavian

tongues may be heard. The New Orleans Picayune of Thursday says: The Chattanooga Railroad Company have received, via the Jackson Railroad, one locomotive, the avant courier of twenty-five of the same kind, to be placed upon this end of the New Orleans and Mobile division of their road. A young man beginning life is in danger of frittering away his time in frivolous pleasures. If he shall strive for some definite end, say the means of independent livelihood, will be not be held more steadily? Will be not be educated to look ahead, to forecast, to arrange, and so become sagacious' Will be not rigidly economize, and deny his passions and appetites, that he may secure the great ends at which he is alming? But for what do men desire property? Is it a mere selfish lust of pos-

Beecher on Love or Avarice.

session and power? To a very general extent, industrious, frugal and thriving men are seeking higher ends than mere property. They are striving to place their children in comfort. There is more love than avarice in the industry of the common people. Sordid saving is the exception. In the main, industry, frugality and enter-prise are inspired by generous senti-ments. Let any one attempt to raise money for some public end, and he will find that the cheerful givers are not men living upon their incomes, not the careless and indolent (who seldom have anything to give), but the men actively engaged in business It is true that men are liable to be come too much engrossed in money making, and that, at a certain point, the more worthy motives are liable to be supplanted by inferior ones. But this is to be guarded against, not by denouncing wealth-making as morally wrong, but by pointing out the dan g er, and by inspiring a nobler motive for continued industry. All the power Mainells bragging of a matron, in of Gospel could not hold up a nation
